Dear Mr.Bower,

I am a highly trained head baker with a background in cake decorating, and I am excited by the opportunity to work for Cakes by jake. I have a history of trend-setting designs, and I am confident I could step in and make an immediate impact on your bakery. My objective as head baker is to ensure the business creates quality cakes that taste great and satisfy clients, and my expertise aligns with the qualifications needed for the position at Cakes by Jake.

A desire to create beautiful cakes for weddings and other important life event has led me to design fashionable cakes for thousands of clients in my career. Several top designs were featured in a news segment in 2012. While my on-the-job experience has afforded me a well-rounded skill set, including first-rate discipline and organizational abilities, I excel in the following areas:

- consulting with clients to create the perfect designs.
- Collaborating with company owner to optimize staffing and inventory.
- Resolving customer issues quickly and courteously.
- Ensuring optimal quality in all projects.

In the course of my work, I have regularly collaborated with diverse team members while consistently ensuring compliance with regulatory requirements. Additionally, I am a very focused professional and have supervised up to five direct reports in bakeries that produced cakes for small, intimate parties as well as large corporate or public events. I am extremely enthusiastic about Cakes by Jake's focus on wedding cakes and would love the opportunity to contribute to growing this business with you.

My resume details my additional work experience. I look forward to meeting with you to discuss your needs further. Thank for your time and kind consideration

Sincerely
